From:	Date: 05 September 2018
To:	Time: 8.50 p.m.
Subject: How to reduce pollution	
<p>Dear <u>Paul Lee</u> ,</p> <p>Hi , I would like to share with you the ways to reduce pollution. First, you need to throw the rubbish into the bins and not in the river which will cause water pollution.</p> <p>Next, you can reduce land pollution by throwing the rubbish into the recycling bins. We can reuse and recycle the tins, bottles and papers.</p> <p>Lastly, plants can help to clean the air. My mother and I have planted various plants in the garden yesterday. I hope you can plant some plants in your garden too.</p> <p>Your friend, Rishika</p>

### Section C

#### C(i) Sample answer

Last week, Ramu's mother went to work. She left Ramu's sister under his care and told him to take good care of his sister.

Ramu fed his sister milk and put her in the cot. While his sister was sleeping soundly, Ramu watched television. He went upstairs to take a nap after watching his favourite cartoon. Ramu forgot about his sister.

Out of a sudden, he heard a loud cry. Then, he realized that his sister was still in the cot. He quickly ran downstairs to see her. Luckily she was fine. He apologized to her and promised to be a good brother.
